No Retreat

Konshens

Till the end of No surrender and no retreat No retreat, y'all ready? Yo, aiyo potent Straight up with the force to keep fighting Samson, Atlas, Colossus, Titan In the dark night the torch steady lightens I'm strong, cast iron heart of the lion A mighty foundation to a tower of power With the energy needed to turn the seed into a flower Fortified type, sturdy sound constructions Make rappers duck down Like I'm Boogie Down Productions I can tell they're weak, delicate It ain't hard to sell when I speak Over rock-hard breaks never riddle little beats See me on rap city B E T spit graffiti Present a full section of flavors that's robust Dilated Peoples my brother we gon' crush Leave up support, insulate your stage I got self control but can't hold the rage Many ya products, gimmicks wit' time limits I give you what you want plus put my mind in it Rocka Iriscience trained to go the length Finding all terrain thin tanked in full strength No surrender and no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender and no retreat Uh, uh, yo, worldwide From great heights we take Paris by night

And L.A. by day from sonic doodalay espy tight Twelve hundad tech me sharp cut and free Detonate the drums heat the plastique That's a dangerous man Who can speak with his hands Watered down lyrics on dirty tracks turned to sand To sink in better watch the X that you inkin' Or on so disrespect and step on my lawn Pass the gate insulate till sound deton's Twelve ten and debt never met chapter eleven My fam's my strength my pops I got my aim from [Incomprehensible]One's for breath, the rest as you feel it Fuck what you've done you've got skills reveal it Team with Iriscience pro's with flows I risk my life on flights for hype shows Rest assure vaccines are far from cures And plant some new shit that hit me two weeks into tour But I'll adapt guaranteed make it through Evidence, Iriscience and my man Babu, worldwide Dilated, I told all these corny mothafuckas What a no retreat sound like, no surrender and no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender, no turning, no cheat, no retreat Stand my ground dig in with both feet No surrender and no retreat Never givin' up, never givin' in, never holdin' back, never runnin' No cowardly acts dumpin' no retreat Constantly moving ahead needs to see the Psychological diabolical shrimp filleted it eat ya Now, I hate it 'cuz the flavor is gone cater to those Lyrics are bomb savor the shows wait for the pro's Beats made it with flows hated by foe's Never surrender your soul and rope with the cold Others are makin' but sadly mistakin' the straight broke In the end with no cheddar of bacon that's left poked Pictures afloat over remote notes and potent mic's Break you up put you in the pipe light you up To the night, shadows are runnin' Around peepin' step out of bounds And watch a nigga get put to sleep But never recover never surrender

I know you hate it quit us get eliminated
Fuckin' with Dilated
No surrender and no retreat
No surrender and no retreat
No surrender and no retreat
N-n-no surrender and no retreat
It's Dilated People, [Incomprehensible]
Ha, ha, ha, ha
Ha, two thousand
