Bend it over for daddy
Gon' look back at it
Don't hide that pussy
Oh you know I like it when you
Twerk it on the dick, twerk it on the dick
Go and twerk it on the dick, girl twerk it on the dick
Twerk it on the dick, go and twerk it on the dick ooh
twerk it on the dick, go and twerk it on the dick
Girl twerk it on the dick, twerk on the dick
Go and twerk it on the dick I like the way that booby jump like a brawl
I like the way you walk that ass like a dog
I like the way you keepin' that pussy on call
You like the way I spendin' that money at the mall
Corn bread ass, soft like Jiffy
Got my dick hard like the ? on her titty
Only chase money, we ain't chasin' no kitten
But I work that mouth out, drop down gimme fifty
Sippin' black Remy, riding in black Porsche's
Kiki and Becky, black in white fortress
Tonight they be mine, tomorrow they yours
Loud in my blunt, kick hard like horses Bend it over for daddy
Gon' look back at it
Don't hide that pussy
