

# No Matter What (Bonus)

## Kerrie Roberts

I'm running back to your promises one more time  
Lord that's all I can hold on to  
I gotta say this has taken me by surprise  
But nothing surprises You Before a heartache can ever touch my life  
It has to go through Your hands  
And even though I keep asking why  
I keep asking why No matter what, I'm gonna love You  
No matter what I'm gonna need You  
I know You can find a way to keep me from the pain  
But if not, I'll trust you  
No matter what, no matter what When I'm stuck and there's nothing else by myself  
I'm just sitting in silence  
There's no way I can make it without Your help  
I wont even try it I know You have Your reasons for everything  
So I will keep believing  
Whatever I might be feeling, God, You are my hope  
And You will be my strength, No matter what, I'm gonna love You  
No matter what I'm gonna need You  
I know You can find a way to keep me from the pain  
But if not, I'll trust you  
No matter what, no matter what Anything I don't have You can give it to me  
But it's okay if You don't, I'm not here for those things  
The touch of Your love is enough on its own  
No matter what I still love You and I'm gonna need You No matter what I'm gonna love you  
No matter what I'm gonna need you  
I know You can find a way to keep me from the pain  
But if not, I'll trust You  
No matter what, no matter what I know You can find a way to keep me from the pain  
But if not, I'll trust you  
No matter what, no matter what  
No matter, no matter what
