

Mexico

Samiam

you want to be someplace warm probably mexico even though it really not that cold been planning a girl girl trip in a motor home to see how it feels to leave you wanted to see just how good it feels to leave never mind the mess you left behind you wanted to see just how good it feels to leave and leave everything behind just a chance to breathe a little time of your own it don really matter where you go i?l buy you some magazines you can call me from a roadside phone let me know when your coming home you know where to find me whenever you decide you know that i?l be here when you get home you wanted to see just how good it feels to leave never mind the mess you left behind you wanted to see just how good it feels to leave
