Special K

JÃ©rÃ´me Sabbagh

Coming up beyond belief
On this coronary thief
More than just a leitmotif
More chaotic, no reliefI'll describe the way I feel
Weeping wounds that never heal
Can the savior be for real
Or are you just my seventh seal?No hesitation, no delay
You come on just like special K
Just like I swallowed half my stash
I never ever want to crashNo hesitation, no delay
You come on just like special K
Now you're back with dope demand
I'm on sinkin' sandGravity, no escapin' gravity
Gravity, no escapin', not for free
I fall down, hit the ground
Make a heavy sound
Every time you seem to come aroundI'll describe the way I feel
You're my new achilles heel
Can this savior be for real
Or are you just my seventh seal?No hesitation, no delay
You come on just like special K
Just like I swallowed half my stash
I never ever want to crashNo hesitation, no delay
You come on just like special K
Now you're back with dope demand
I'm on sinkin' sandGravity, no escapin' gravity
Gravity, no escapin', not for free
I fall down, hit the ground
Make a heavy sound
Every time you seem to come aroundNo escapin' gravity
No escapin' gravity
No escapin' gravity
No escapin' gravityGravity
Gravity
Gravity
Gravity
