Autumn Forever

To / Die / For

Here comes the dawn of a new day
Comes without a light, it's grey
Grey as yesterday
The frozen ground keeps sleeping
Under my feet
Everything feels cold
It's my inner fearCould you save meBreak the chains around my heart
Set me free
Let me breathe and let me fly
Away, away
Faces look cruel in the twilight
No smiles for anyone
Darkness has captured my mind
It's eternal autumn
Lives in me
No place to hide
No place to escape (I've tried!)I'm not strong enough to run
