

No More

Dinah Washington & Clifford Brown

I gotta leave this place
gotta leave this placegotta leave this place
YeahI gotta leave this place
gotta leave this place
gotta leave this place
It's high time we got our stories straight
You said you wanna come and get a thingIt's high tide, I gotta leave this place
Cause I ain't waiting just to drown againWhy don't you tell me? why don't you tell meeee?Why don't you tell
me that you love me no more?
Why don't you tell me, you gotta set me free
Why don't you tell me that you love me no more?
No more, yeah
No more, no more
It's all fine under the midnight sun
When there's no shadows
no doubt you're done
In my mind I bail my faith through
Cause I know that you don't tell me that you love me no more
So Move on
Why don't you tell me? why don't you tell meee?
Why don't you tell me that you love me no more?
Why don't you tell me, you gotta set me free
Why don't you tell me that you love me no more?
No more, yeah
No more, no more
I gotta leave this place
gotta leave this place
gotta leave this place
