Good for Me

Circa Waves

I'll be so bold to say you are the only one I've ever really known
oh my love it's tough
and I know these roads like a hall from my home but I I've never settled down
take my word
its yoursyou'll see, you'll see
oh I'm just no good for me
you'll see, yeah you'll see
that i'm just no good for me
good for me, good for me, good for metake what you can from the back of your hand
in all words I've seen
change your name and your tune
despite what you say every dark has its day every night find its home
are you happy being aloneyou'll see, you'll see
oh i'm just no good for me
you'll see, yeah you'll see
that i'm just no good for me
you'll see, yeah you'll see
that i'm just no good for me
good for me, good for me, good for me
