

No Time Soon

[Gnarls Barkley](#)

This could be one of those days
That we must go our separate ways.
Scared for you to be out of my sight,
Because you never know, you might. And I carry this
It's heavy.
And I miss you
Already You were perfect babe. My time will come
Yours too.
I'll gladly go before you. I hope you live forever,
Or maybe we can go together. It would be perfect baby. And I carry this,
It's heavy.
And I miss you
Already
