# Witchcraft

## Bathory

I drink the blood
From cup of death
I sip the milk from tied up
Angels holy breasts
I fuck the whore and eat her flesh
And when the daylight comes
I sleep in Satan's nestPestilence Black Death
Circles drawn in blood
Read the holy writings backwards
Burn the house of GodSacrifice of human flesh
Anal kiss of Hell
Mother of Satanic child
Cast your witches spellsWitchcraft
I run the night with white wolfs pack
I ride the wind of Mayhem
Down to Hell and back
I masturbate on Golden throne
And quench my thirst
From sacred virgins fragile throatsPestilence Black Death
Circles drawn in blood
Read the holy writings backwards
Burn the house of GodSacrifice of human flesh
Anal kiss of Hell
Mother of Satanic child
Cast your witches spellsWitchcraft
Pestilence Black Death
Circles drawn in blood
Read the holy writings backwards
Burn the house of GodSacrifice of human flesh
Anal kiss of Hell
Mother of Satanic child
Cast your witches spellsWitchcraft
