At Night

Shakedown

I feel... at night)
It seems I canÂ´t deny
Some days just donÂ´t seem right
I think I feel, I feel much better
At night

Sometimes I canÂ´t deny
Some days just donÂ´t seem right
I think I feel, I feel much better
At night

Sometimes I canÂ´t deny
Some days just pass me by
You know I feel, I feel much better
At night

(I feel...)
Seems I canÂ´t deny
Some days just donÂ´t seem right
I think I feel, I feel much better
At night

Sometimes I canÂ´t deny
Some days just pass me by
You know I feel, I feel much better
At night

Yeah
