

# Hey Driver

## Lucky Boys Confusion

[Verse 1:]

Sparks fly, i hit the ground running

I'm in the air on the side of the road

Good work.. never comes easy

Hey Driver to the top of the world [x2]

Throwin' my thumb over my right shoulder with confidence[Chorus:]

and here i come

westbound

leave the motor running because i'm on the run

in this crowded world i'll be high waiting when the last train comes[Verse 2:]

Dark Skies, i feel my heels burning

False hi's to the end of the road

No doubt, i've got alot of learning

Hey driver to the top of the road

Throwin' my thumb over my right shoulder with confidence[Chorus][Verse 3:]

Sparks fly, i hit the ground running

I'm in the air on the side of the road

Good work.. never comes easy

Hey Driver to the top of the world

Sparks fly, i hit the ground running

Time stops at the end of the road

The big deal lot, the deals beginning

Hey Driver to the top of the world [x9]
