

Football

â®Œâ ¨â®žâ†µ

I've been playing football in my head
I've been patiently waiting for this game to endI've been tackling it with my mind
I've been waiting for you to come around
I've been waiting for a, for a touchdownWhooâ€¸ Whooâ€¸.Bright lights turn up the night,
But I'm stuck here in the dark
But I'll be there, but I'll be thereBright Lights passing me by
But I'm stuck here on the words I'll never leave ya
I'll never leave yaAnd colors fly, colors fly, colors fly...
oh oh ohâ€¸I've been playing football in my head
I've been patiently waiting for this game to endâ€¸I've been tackling it in my mind
I've waited for you to come aroundâ€¸
I've been waiting for a, for a touchdownColors fly, colors fly, colors fly
You and I, you and I, you and I
We're forever young and wildColors Fly, colors fly, color fly
You and I, you and I, you and I
We're forever young and wildI've been playing football in my head
Oh oh oh I've been trying to make it with my mindI've been waiting for you to come around
I've been waiting for a, for a touchdownâ€¸Whooâ€¸, hoâ€¸. hoâ€¸
