Big Time Operator

Big Bad Voodoo Daddy

I like to sneak a drink and roll my smoke
You see I like my collars pressed
I wear big ol hats and fancy ties
As and I hang late with my friendsI can take it on the chin with a Cheshire grin
I'm a sinner V.I.P
You know I like mixed drinks I likes what I thinks
I think you know just what I meanYou know that heroes and legends are one and the same
It's a how you play the game
You see, I'm no fool I'm from the old school
Its the fire from the flameI like a big ol car, and fine cigars
You know I'll pick your pockets clean
I'm a snake-eye rollin', big league bowlin'
And I clean up on the greenI got the Jack, the Ace, the King and Queen
You know I like my women mean
'Cause I'm a big time operatin'
Never ever hesitatin' sinner V.I.P'Cause I'm a big time operatin'
Never ever hesitatin' sinner V.I.PI like to sneak a drink and roll my smoke
You see I like my collars pressed
I wear big ol hats and fancy ties
As and I hang late with my friendsI got the Jack, the Ace, the King and Queen
You know I like my women mean
'Cause I'm a big time operatin'
Never ever hesitatin' sinner V.I.P'Cause I'm a big time operatin'
Never ever hesitatin' sinner V.I.P
'Cause I'm a big time operatin'
Never ever hesitatin' sinner V.I.P
