Big Time Operator

Big Bad Voodoo Daddy

I like to sneak a drink and roll my smoke You see I like my collars pressed I wear big ol hats and fancy ties

As and I hang late with my friendsI can take it on the chin with a Cheshire grin

I'm a sinner V.I.P

You know I like mixed drinks I likes what I thinks
I think you know just what I meanYou know that heroes and legends are one and the same
It's a how you play the game

You see, I'm no fool I'm from the old school Its the fire from the flameI like a big ol car, and fine cigars

You know I'll pick your pockets clean

I'm a snake-eye rollin', big league bowlin'

And I clean up on the greenI got the Jack, the Ace, the King and Queen

You know I like my women mean

'Cause I'm a big time operatin'

Never ever hesitatin' sinner V.I.P'Cause I'm a big time operatin'

Never ever hesitatin' sinner V.I.PI like to sneak a drink and roll my smoke

You see I like my collars pressed

I wear big ol hats and fancy ties

As and I hang late with my friends I got the Jack, the Ace, the King and Queen

You know I like my women mean

'Cause I'm a big time operatin'

Never ever hesitatin' sinner V.I.P'Cause I'm a big time operatin'

Never ever hesitatin' sinner V.I.P

'Cause I'm a big time operatin'

Never ever hesitatin' sinner V.I.P
