Sex Change

Breakbeat Era

Emma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeWhite nights, I must make a stand
Fucking so right
You sleep tightEmma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeWhite nights, I must make a stand
But it's alright
You sleep tightEmma may look like a man
But she sucks spicePace yourself to make it last
Don't fool yourself, I'm squeezing you smart arse
He roll in drunk high or low
Even there is no use to youEmpty my [Incomprehensible] my cage
Words fail me, no sign of anything
[Incomprehensible] where will it lead?
Please don't cry and no there's no needEmma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeWhite nights, I must make a stand
But it's alright
You sleep tightEmma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeEmma may look like a man
But she sucks spice
She sucks my lifeWhite nights, I must make a stand
But it's alright
You sleep tightEmma may look like a man
But she sucks spice
She sucks my life
