

Synasta

Comes the light
Comes the flame
Comes the child who is
 Come the sword
 Come the flame
Come the end of bliss's reign
 Come the dawn
 Come the day
Wake the softest soul up
 Come the fire
 Come the change
Lick the rose of Venus' shame
 Come the night
 Come the death
Down the path out of
 Seven
 Seven
Seven is my name
 Seven come
 And seven go
 And seven
 Still remain
 Seven
 Seven
Seven is my name
Seven on the grandest scale
 And seven
 Still remain
 And the light
 And the flame
Take the path on
 And the night
 And the day
Fall upon the knees of
 And the child
 In the flames
Casted out of eden
