

Fall At Your Feet

Boy & Bear

'm really close tonight
And I feel like I'm moving inside her
Laying in the dark
And I think that I'm beginning to know her
Let it go
I'll be there when you call

And whenever I fall at your feet
You let your tears rain down on me
Whenever I touch your slow turning pain

You're hiding from me now
There's something in the way that you're talking
The words don't sound right
But I hear them all moving inside you, go
I'll be waiting when you call

Hey and whenever I fall at your feet
you let your tears rain down on me
Whenever I touch your slow turning pain

The finger of blame has turned upon itself
And I'm more than willing to offer myself
Do you want my presence or need my help
Who knows where that might lead
I fall

Whenever I fall at your feet
you let your tears rain down on me
Whenever I fall, Whenever I fall
