

# The World is New

## Save Ferris

I was just sitting and awaiting  
Just thinking, contemplating my life when I heard the phone  
I picked up the receiver and I did not believe her  
When I heard a voice say, "You're not alone" When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new Life was getting hectic and things were unexpected  
When I first received your call  
But now it is the best thing that filled up what was missing  
And now my life is envied by all When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new I was just sitting and awaiting  
Just thinking, contemplating my life when I heard the phone  
I picked up the receiver and I did not believe her  
When I heard a voice say, you're not alone When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new
