

Strange Days

Humble Pie

When I was a child
My momma called me and told me charles
you've gotta take care cx u aint going and come back in pairs
i said mom i hear but the network wasnt so fuckin clear
i took a taxi from obuasi kumasi ashanti
unfortunatly, i joined a gang: versace navy
i nearly screwed me cx the cops was tryna bust me
i did much damages to ma brains like hurricanes and alvalanches jux bcx i lost ma senses
