

# Last Christmas

## Dexter Freebish

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special  
Once bitten and twice shy  
I keep my distance but you still catch my eye  
Tell me baby, do you recognize me?  
Well, it's been a year, that doesn't surprise me  
Merry Christmas, I wrap it up and send it  
With a note saying "I love you" and I meant it  
Now, I know what a fool I've been  
But if you kissed me now, I know you'd fool me again  
Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special  
Crowded room, friends with tired eyes  
Hiding from you and your soul of ice  
My God, I thought you were someone to rely on  
Me, I guess, I'm just shoulder to cry on  
A face on a lover with a fire in his heart  
A man under cover but you tore me apart  
Oh, now I've found a real love  
You'll never fool me again  
Found a real love  
Yeah, I found a real love  
Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special  
Last Christmas I gave you my heart  
But you gave it away  
Now I'll give it to someone special  
I'll give it to someone special
