A Song for Yukiko

Tricky

[Foreign content]Slowly
Act like you know me
Slowly
Act like you know meSo if you would put a dress on
Unless you put the stress on
Tuck your hair behind your ears
Your tears, your silly fearsI'd be your teddy bear
You'd choose the clothes I wear
For you I'd suffer much pain
Sharp glass migraineFor you I'd put a stress on
For you I'd put a dress on
For you I'd lose my focus
I'd swim in swarms of locustsFor you I'd swim with ease
Save the planet
Leave the trees
For you I'd put a dress on
A dress to impress on[Foreign content]
