

87 and Cry (Edit)

David Bowie

It's just a one dollar secret
A lover's secrets in the UK
Torn apart in the UK
In the dribble of May-Day'87 and cry
'87 and cry And there's nothing inside
And there's nothing in mind
And only you, rocket on through the sky
It couldn't be done without dogs
It couldn't be once without us'87 and cry
'87 and cry When the days were the days, were the days boys
When blue ties were for the big guys
Frannie dressing down for the enemy
You saw him hangin' on the enemy And there's no one in love
And there's nowhere to scream
And only you, race on to wonder where
It couldn't be done without dogs
It couldn't be once without us'87 and cry
'87 and cry You can't make love with money
You can't make mistakes with babies
Nothing looked good on you
That's how I liked you best
Now you're ready for the real McCoy Deep in the heart of Cupid
Murders on the heels of love
Just the ghost of a story
Just a one dollar secret Baby these were the sounds
Baby these were the sounds
And only you whisper these things aren't true
It couldn't be done with dogs
It couldn't be once without us'87 and cry
'87 and cry
