Thank You

Will Young

Shut in a cupboard, can't even breathe in the air
Banging my fists, to see if anyone's there
I gave you my heart, felt it was the only way
Thought it was love, how could love only last for a day
I was under your charge, did you see you did me wrong
I learned to read the signs, to know what was going on
In my heart I hated you, for taking away my sunThank you, thank you, thank you
Thank you, thank you, thank youOh my God
You broke my heart
Tore me apart
Thank youNot a good teacher, you marked my papers all wrong
I sense the danger, as you were dragging me along
My hands are burned, the medicine doesn't workOh my God
Thank you, thank you, thank you
Thank you, thank you, thank youOh my God
You broke my heart
Tore me apart
Thank youThank you, thank you, thank you
Thank you, thank you, thank youOh my God
You broke my heart
Tore me apart
