Magnet

Bikini Kill

You don't own me, Fuck!
you don't own me, Fuck!
you don't own me, Fuck!
you don't own me, Fuck!
You hold me down
You hold me down like a magnet
And this is not all that I am
No this is not my name
I've got the love that's strong and not weak
I've got the love that's strong and not weak
I've got the love that's strong and not weak
I've got the love that's strong and not weak
