

# E.S.P.

## Buzzcocks

Do you believe in E.S.P.?  
I do and I'm tryna get through to you  
If you're picking up off me  
Then you know just what to do, thinkBrainwaves transmitted from my mind  
Of a magnetic kind  
I don't know what to do  
If I can't get through to you, so thinkDo you believe in E.S.P.?  
I been tryna get through to you  
If you've been picking up off me  
Then you'll know just what to do, don't you?
