

Hit The Ceiling

LION BABE

Every guy got advice
From the bottom to the top
Anyway gotta choose make a move
The hustle never stops All night gotta stay up (Ay ok)
And I just can't get enough (Ay ok)
Going out of "see you around"
Downtown in the scene I'm gon hit the ceiling
Hands up on the wall (On it on it)
We ain't got no living (Oh oh)
And we don't let go (Don't let go)
I'm gon hit the ceiling
You hear me? (Ya hear me?)
I won't take my spirit
I'm living (I'm living)
Get ready for the healing, the healing (the healing)
Tell me if you feel it
You go oh What a day in a little world
Out here riding with the waves
Sweet escape finds me every day
At home with a heartache with a heartache All night gotta stay up (Ay ok)
And I just can't get enough (Ay ok)
Going out of "see you around" Downtown in the scene
I'm gon hit the ceiling
Hands up on the wall (On it on it)
We ain't got no living (No living yeah)
And we don't let go (Don't let go)
I'm gon hit the ceiling
You hear me? (Ya hear me?)
I won't take my spirit
I'm living (I'm living)
Get ready for the healing, the healing (the healing)
Tell me if you feel it
You go oh Hit the ceiling
Hands up on the wall We ain't got no living
And we don't let go (No we don't, no we don't) I'm gon hit the ceiling
Hands up on the wall (On it on it)
We ain't got no living (No living yeah)
And we don't let go (Don't let go)
I'm gon hit the ceiling

You hear me? (Ya hear me?)
I won't take my spirit
I'm living (I'm living)
Get ready for the healing, the healing (The healing)
Tell me if you feel it
You go oh
