Red Rover

Pifco

I never listen
To the voices in my head, hmm,
You always told me
That it's better off that way
I don't mean to intrude
But you best be getting on your way
I am alone and that's the way,
The way it's gonna be,
Yeah, yeah, yeah...
But it's so much easier
When the devil's on your side,
Is on your side
It's all a game, baby,
So you best go run and hide,
You best go run and hide...
Well,
Back to his perfect joy
Oh, he's smiling all the time
It's so all in my head,
It's all in my head

And that's just fine
You stayed too long,
Now it's time for you to go
But people do walk away
There's one thing you need to know,
That you need you know
Well, it's so much easier
When the devil's on your side,
It's all a game, baby,
So you best go run and hide,
You best go run and...
Dudu, nono, dudu, nonono...
Because it's so much easier
When the devil's on your side,
When he's on your side
It's all a game, baby,
So you best go run and hide,
You best go run and...
