

Ghosting

Wharfer

I've been ghosting
I've been ghosting along
 Ghost in your house
 Ghost in your arms
 When you're tossing
 When you turn in your sleep
It's because I'm ghosting your dreamsAnd this is why I have decided
 To pull these old white sheets from my head
 I'll leave them folded neat and tidy
So that you'll know I'm out of hidingI've been ghosting
 I've been ghosting alone
 Ghost in the world
 Ghost with no home
 I remember
 I remember the days
When I'd make you oh, so afraidAnd this is why I have decided
 To leave your house and home unhaunted
 You don't need poltergeist for sidekicks
You don't need treats and you don't need tricksYou don't need treats
 You don't need tricks
 You don't need no HalloweenYou don't need treats
 You don't need tricks
And you don't need meHey, would it be so bad if I stayed
 I'm just a ghost out of his grave
 And I can't make love in my grave
 I won't put white into your hair
 I won't make noises in your stairs
 I will be kind and I will be sweet
If you stop staring straight through meAnd this is why I have decided
 To pull these old white sheets from my head
 I'll leave them folded neat and tidy
So that you'll know I'm out of hidingAnd this is why I have decided
 To leave your house and home unhaunted
 You don't need poltergeist for sidekicks
You don't need treats and you don't need tricksYou don't need treats
 You don't need tricks
 You don't need no HalloweenYou don't need treats
 You don't need tricks
 You don't need no Hallows EveYou don't need treats

You don't need tricks
And you don't need me
