

Wash Me Clean

[k.d. lang](#)

You swim, swim through my veins
Drown me in your reign
My desire carries no shame
My will, will harbour no pain Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams Swim, swim through my veins
Drown me in your reign Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams Drink, drink from my spell
Quench, love's drying well Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
