Confrontation

Prime Minister

Funk Flex, Big Kap
Mary J, Def Jam, let's go
Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
Are you mad
Because I turned it around?
But if I stayed the same
You would still be running your mouth, oh
You never doubt the Queen of hip hop soul
I never let you down 'cause I'm on a roll
My new CD is in your store
So pick it up and feel my soul

Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
Everybody wants to know where I've been
'Cause living life the way I do seems to be a sin, oh
But that stuff follows me everywhere I go
Get out of hair 'cause shit is out of control
Don't come too close too
'Cause you never know what I would do if you disrespect me
Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
...
