

# Confrontation

## Prime Minister

Funk Flex, Big Kap  
Mary J, Def Jam, let's go  
Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation  
Are you mad  
Because I turned it around?  
But if I stayed the same  
You would still be running your mouth, oh  
You never doubt the Queen of hip hop soul  
I never let you down 'cause I'm on a roll  
My new CD is in your store  
So pick it up and feel my soul

Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation

Everybody wants to know where I've been  
'Cause living life the way I do seems to be a sin, oh  
But that stuff follows me everywhere I go  
Get out of hair 'cause shit is out of control  
Don't come too close too  
'Cause you never know what I would do if you disrespect me  
Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation
