

Blood Red Roses (Extended Version)

Uriah Heep

Heaven's above
What on earth has this come to
What have I done
What can I do now to show you
There's still a chance
If you're ready to make up
It's not too late
'Cause I'm not ready to break up
I try to call
But you don't hear at all I'm sending roses
I'm sending blood red roses
This burning in my heart
Is tearing me apart
I'm sending roses
I'm sending blood red roses You've got to understand
That's my heart in your hand Don't walk away
We can get this heart mended
Or am I the fool
And has this love just ended
I tried to call
But you don't hear at all I gotta keep on trying
To stop this love from dying You've got to understand
That my heart is in your hand Roses
I'm sending blood red roses
This burning in my heart
Is tearing me apart
I'm sending roses
I'm sending blood red roses Roses
I'm sending blood red roses
This burning in my heart
Tears me apart
Roses - blood red roses
You've got to understand
That's my heart in your hand
Roses
I'm sending blood red roses
'Cause this burning in my heart
Tears me apart
