Pearl Jam

He won the lottery when he was born
Took his mothers white breast to his tongue
Trained like dogs color and smell
Walks by me to get to him
Police manHe won the lottery by being born
Big hand slapped a white male American
Do no wrong so clean cutDirty his hands it comes right off
Police man
Police stopped my brother again
Police manJesus greets me, looks just like meDo no wrong so clean cut
Dirty his hands, it comes right off
Police man
Police stopped my brother again
Police manPolice stopped my brother again
Police manAll my pieces set me free, human devices set me free
All my pieces set me free
Human devices set me free
