Pearl Jam

He won the lottery when he was born  
Took his mothers white breast to his tongue  
Trained like dogs color and smell  
Walks by me to get to him  
Police manHe won the lottery by being born  
Big hand slapped a white male American  
Do no wrong so clean cutDirty his hands it comes right off  
Police man  
Police stopped my brother again  
Police manJesus greets me, looks just like meDo no wrong so clean cut  
Dirty his hands, it comes right off  
Police man  
Police stopped my brother again  
Police manPolice stopped my brother again  
Police manAll my pieces set me free, human devices set me free  
All my pieces set me free  
Human devices set me free
