

Another Day (Change Album Version)

[Ray Wilson](#)

Some things disappear inside
Should I try to run away
If I could I would escape you I won't argue anymore
I have lost the will to be
Hope you don't think I'm ungrateful
Why, why are you laughing
Is it something that I said I don't like this place at all
Makes me wonder what I'm here for
Someone take this pain away
Dying to see another day Close the curtains lock the door
Left my note upon the stair
In hope you wouldn't read it
Fake emotions in my head
Everything I've seen and read
Can't begin to find a reason Why, why are you laughing
Is it something that I said I don't like this place at all
Makes me wonder what I'm here for
Someone take this pain away
Dying to see another day And I don't want to be your friend
Or pretend I can fit into
I'm incensed, I'm blown away
Dying to see another day I don't like this place at all
Makes me wonder what I'm here for
Someone take this pain away
Dying to see another day
And I don't want to be your friend
Or pretend I can fit into
I'm incensed I'm blown away
Dying to see another day
