

Ready for Love

Tata Young

Verse 1 Out of luck with love, but still I played the game
Crossed the heart and hoped to God that it would change

So many times, afraid to give my heart away
That was before you came

Showed me another way
Bridge 1 Close my eyes
And tell myself that its all right (its ok girl, its ok girl)

Do you feel the way I feel?

Cause if I let you in

Baby you can get the best of me
CHORUS The way that you love me, love me, love me

Sgot me thinkin Im ready, ready, ready

When I couldnt see

You know you made me believe that

Im ready for love

The way that you love me, love me, love me

Sgot me thinkin Im ready, ready, ready

Cant keep it inside

Because youre doing it right

And Im ready for love
Verse 2 Resigned to me, myself and I but you flipped it

Never thought that I would find something like this

You stole my heart and ooh you got me good

Keep doing what you do

Coss Im so in love with you
Bridge 2 Talk to me

And tell me (sok girl, go ahead girl)

Cause Im laying down my cards

And Im putting down my guard

Baby you can get the best of me
CHORUS Middle 8 Hold up, wait a minute, want my love? Come get it, get it!

(Im ready for, Im ready for love, Im ready for, Im ready for love)

Said hold up, wait a minute, want my love? Come get it, get it!

(Im ready for, Im ready for love, Im ready for, Im ready for love)

Said hold up, wait a minute, want my love? Come get it, get it!

(Im ready for, Im ready for love, Im ready for, Im ready for love)
Bridge 3 Close my eyes

And tell myself that its all right (sok girl, go ahead girl)

Cos Im laying down my cards

And Im putting down my guard

Baby you can get the best of me
CHORUS
