Neon future

Future waves, special days

Neon futureFuture waves, special days

Neon futureWhat is this changing in front of my eyes, in front of my eyes

Healing is happening inside of the world, inside machines (Machines)What is this changing in front of my eyes,
in front of my eyes

Healing is happening inside of the world, inside machines (Machines, machines)What is this changing in front
of my eyes, in front of my eyes

Healing is happening inside of the world, inside machines (Machines)Neon future
