Fantasy

Earth, Wind & Fire

Every man has a place
In his heart there's a space
And the world can't erase his fantasies
Take a ride in the sky
On our ship, fantasize
All your dreams will come true right awayAnd we will live together
Until the twelfth of never
Our voices will ring forever, as oneEvery thought is a dream
Rushing by in a stream
Bringing life to the kingdom of doing
Take a ride in the sky
On our ship, fantasize
All your dreams will come true miles awayOur voices will ring together
Until the twelfth of never
We all will live love forever, as oneCome to see victory
In a land called fantasy
Loving life, a new degree
Bring your mind to everlasting libertyAs one, come to see victory
In a land called fantasy
Loving life for you and me
To behold, to your soul is ecstasyYou will find other kind
That has been in search of you
Many lives has brought you to
Recognize, it's your life now in reviewAnd as you stay for the play
Fantasy has in store for you
A glowing light will see you through
It's your day, shining day
All your dreams come trueAs you glide in your stride
With the wind as you fly away
Give a smile from your lips and say
I'm free, yes I'm free, now I'm on my wayCome to see victory
In a land called fantasy
Loving life for you and me
To behold, to your soul is ecstasyYou will find other kind
That has been in search of you
Many lives has brought you to
Recognize, it's your life now in review
