

# No Way

## Young Fathers

[Chorus:]

No way no weapon is formed shall prosper

No way no weapon is formed shall prosper

No...

It just won't work

It just won't work

No way

Tried to tear me down but I'm still standing

Wanted what I have but I'm sustaining

Scandalized my name, tried to bring me shame

But there is no way

[Chorus]

I am more than a conquerer

Through Christ that loves me

That's why I'm still here

I have already been set free

[Chorus]

It just won't work
