Sweet Obsession

Bonfire

Here we go just another night
with your sultry eyes
the ones that hypnotizeyeah you know it's getting hard to fight
you got me in your sight
I'm gonna fall tonightYou got me running everytime you call my name
I see it comin' - something I can't explain
I feel it's starting again
CHORUS
Such a sweet obsession
can't get enough
I feel the magic everytime that we touch
A sweet obsession
comes over me
take me to the fire - girl
set my heart freeSomethings's wrong baby deep inside
is it you or me
I just can't decideIs it love or is it just a game
Got control of me
I can't break the chainsI'm just a prisoner of a heartbeat - loosing it's way
you got me captured- and there's nothing I can do
nothing I can do to escape
CHORUS
I'm just a prisoner of a heartbeat - loosing it's way
you got me captured - and there's nothing I can
do nothing I can do to escapeCHORUS
