J. Cole

Can't help but think about it all the time.  
And you know what's on my mind (x4)  
Can't help but think about it all the time.  
And you know what's on my mind (x4) I told them recognize, Smith and Wesson.  
Now I got her in my bedroom busting  
Nigga that's disgusting, that's disgusting  
Nigga that's disgusting, that's disgusting Yeah they talk but they don't know nothing  
Nigga eat a dick we the shit no flushing  
Nigga that's disgusting, that's disgusting  
What is you discussing? Hey, Oh NO  
Not another line about how life's a bitch  
Well fuck the world and enjoy it  
If she is, wonder can she ride the dick.  
If so I take her on a voyage

Cuz I keep clogging up the toilet Coley Cole, Fresh as a Four week old  
Not a scratch on me, Hoes ask for me  
Niggas ask bout me, Silly if you doubt me  
Close your eyes and see where the game is headed without me  
Give you the realest nigga, give you the chills  
You looking at the reason the label gave you the deal  
You remind 'em of me, Let's see how does it feel  
To know I fathered you niggas and left you out of my will. Can't help but think about it all the time.  
And you know what's on my mind (x4)  
Can't help but think about it all the time.

Now I got her in my bedroom busting  
Nigga that's disgusting, that's disgusting
