

# The Nightmare

## Cab Calloway

Slumber, never comes around 'til dawn  
My head starts reeling  
I dream that I'm kneeling  
It seems that I'm kneeling on the ceiling of my room  
Nightmare, sure has got me in the air  
It's no use denying  
And there's no denying  
I dream that I'm dying and going in my tomb

Songwriters

WORONTSCHAK, YURI / RILEY, GINA
