

Good-Bye

Thomas Samuel Orr

Hey man this is Rubberman It's been a long time It's been a long time It's been a long time Hey man this is Rubberman It's been a long time It's been a long time It's been a long time And I'm on the acid trip again The acid trip again It's been a long time It's been a long time Hey man this is Rubberman It's been a long time It's been a long time It's been a long time It's been a long time Hey man this is Rubberman It's been a long time It's been a long time It's been a long time And I'm on the acid trip again The acid trip again It's been a long time It's been a long time Good-bye good-bye good-bye Good-bye good-bye good-bye Good-bye good-bye good-bye Good-bye good-bye good-bye It's been a long time It's been a long time Hey man this is Rubberman It's been a long time It's been a long time It's been a long time Hey man this is Rubberman It's been a long time It's been a long time It's been a long time And I'm on the acid trip again The acid trip again It's been a long time It's been a long time Good-bye good-bye good-bye Good-bye good-bye good-bye It's been a long time It's been a long time It's been a long time It's been a long time
