In The Still Of The Night

Neil Diamond

In the still of the night
As I gaze from of my window
At the moon in its flight
My thoughts all stray to you
In the still of the night
While the world is in slumber
Oh the times without number
Darling when I say to you
Do you love me
As I love you
Are you my life to be
My dream come true
Or will this dream of mine
Fade out of sight
Like that moon growing dim
On the rim of the hill
In the chill, still of the night
Do you love me
As I love you
Are you my life to be
My dream come true
Or will this dream of mine
Fade out of sight
Like that moon growing dim
On the rim of the hill
In the chill, still of the night
