

# Say It To My Face

## Lil' Flip

Aye, aye, aye Why you actin' like a h\*\*\*\*? n\*\*\*\*, say it to my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*\*, say it to my face  
Man, that n\*\*\*\* gotta go, oh, oh Why you actin' like a h\*\*\*\*? n\*\*\*\*, say it to my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*\*, say it to my face  
Man, that n\*\*\*\* gotta go, oh, oh You run your mouth to them h\*\*\*\*s, why you ain't say it to my face?  
You ain't playin' wit a kid, I'ma put you in your place  
I got n\*\*\*\* on my team who ain't scared to catch a case  
Catch your b\*\*\*\* while she's shoppin' and put that pistol by her waist Push her in your car, then take her to your  
place  
B\*\*\*\*, where the jewelry at? Hurry, open up the safe  
When it comes to gettin' bread I'm ahead in the race  
Infrared to his head, it's just another murder case The game really over when you see that yellow tape  
Pop the Lucky Nites, n\*\*\*\*, let's celebrate  
These n\*\*\*\* love to hate but I'm aight wit' that  
M\*\*\*\* will push your whole temple back N\*\*\*\*, remember that I am not a game  
I guarantee y'all, n\*\*\*\*, coppin' my chain  
'Cause y'all jackin' my style, you can't f\*\*\*\* with my flow  
And she a d\*\*\*\*, b\*\*\*\*, you can't f\*\*\*\* with my h\*\*\*\* I'm still pumpin' that d\*\*\*\*, I'm still thuggin' fo sho  
You hear that knock, n\*\*\*\*? Courtesy of Z-Ro  
Don't be no hero, just play your part n\*\*\*\*  
You beef with me then it mean you ain't smart, n\*\*\*\* Why you actin' like a h\*\*\*\*? n\*\*\*\*, say it to my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*\*, say it to my face  
Man, that n\*\*\*\* gotta go, oh, oh Why you actin' like a h\*\*\*\*? n\*\*\*\*, say it to my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*\*, say it to my face  
Man, that n\*\*\*\* gotta go, oh, oh Look, a lot of y'all rappers turn up so bold but can't nobody touch me  
But in the real we infiltrate, penetrate, m\*\*\*\*  
So one might get cool wit' you just to do your a\*\*\*\* end  
I be openin' up in your whip and it's comin' through your glass in Whether you standin' in my upper arm from  
the side of my forearm  
I can walk without security 'cause ain't nobody gon' do 'Ro no harm  
Before I go f\*\*\*\* all y'all I feel I own ya that much  
And if you wonder what it is that makes me act this way, n\*\*\*\*, that's n\*\*\*\* We got fat n\*\*\*\*, you know the kind  
your baby momma like  
Anythin' I say behind your back I'm willin' to say it to your face twice  
F\*\*\*\* Lil' Flip, f\*\*\*\* Z-Ro, I don't be listenin' to their s\*\*\*\*

May the same ones that at our shows recite our lyrics think that their s\*\*\*I'm just waitin' to hear somebody  
slander my name in a song  
Same day it come out, I pull a 2-8 g\*\*\*  
And d\*\*\* that b\*\*\* when I leave your home  
Murder ain't crazy, just necessary sometime  
I call a 1\*\*\* and then you check out that's when I put my g\*\*\* downWhy you actin' like a h\*\*\*? n\*\*\*, say it to  
my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*, say it to my face  
Man, that n\*\*\* gotta go, oh, ohWhy you actin' like a h\*\*\*? n\*\*\*, say it to my face  
You rather rap it in a flow, why you ain't say it to my face?  
Now I know your a\*\*\*, say it to my face  
Man, that n\*\*\* gotta go, oh, oh, yeah
