

Running Out of Reasons To Run

[Rick Trevino](#)

There's a long stretch of black top
Underneath a cloudless sky
There's my truck washed and gassed up
Just itchin' for a ride
If this had been 6 months ago
I know what I'd have done
But Girl, I'm running out of reasons to run I'm running out of reasons
I've lost that restless feeling
Slowly I'm believing
I'm where I'm supposed to be
When you hold me, I feel no need
To chase that setting sun
I'm runnin' out of reasons to run There you stand smiling at me
Sun light shinin' through your hair
There's that door standing open
With no rush to go no where
I'm finding all I've searched for
In this love that we've begun
And Girl I'm running out of reasons to run I'm running out of reasons
I've lost that restless feeling
Slowly I'm believing
I'm where I'm supposed to be
When you hold me, I feel no need
To chase that setting sun
I'm runnin' out of reasons to run
