last stand (thvn remix)

Kwabs

War's over but I solider on
Still battling the ghost long goneStill struggling to see the signs
Too heavy for a heart like mine
Save me, save meKeep my heritage to keep me clean
Keep the devil watching over me
Save me, save meLast stand before I walk away
Spell-bound I stutter, I pray
Release me, say you need meStill burning from the heat of your touch
Know I shouldn't but it's never enoughStill burning from the heat of your touch
Know I shouldn't but it's never enoughI know I don't belong
But I'm scared to leave youStill burning from the heat of your touch
Know I shouldn't but it's never enoughStill burning from the heat of your touch
Know I shouldn't but it's never enough
