

# In A Rush

## Blackstreet

It came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I feel insideHow I try  
To express what's been troublin' my mind  
But still I can't find the words  
But I know that something's got a hold of meIt came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I feel insideBaby, some day I'll find a way to say  
Just what you mean to me  
But if that day never comes along  
And you don't hear this song, I guess you'll never know thatIt came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I'm feelin', feel what I feel insideAnd when I say inside  
I mean deep  
You fill my soul and there's something I can't explain  
It's over me, 'causeIt came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I feel insideIt came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I feel insideIt came over me in a rush  
When I realized that I love you so much  
That sometimes I cry, but I can't tell you why  
Why I feel what I feel inside
