

Hello Heartache

Avril Lavigne

You were perfect
I was unpredictable
It was more than worth it
But not too sensible Young and foolish
That seem to be the way
I was stupid
To think that I could stay
Oh oh
To think that I could stay Goodbye my friend
Hello heartache
It's not the end
It's not the same
Wish it didn't have to be this way but
You and I will spin the world to make love
Goodbye my friend
Hello heartache La la la la la la
Hello heartache
La la la la la la I was champagne
You were Jameson
Every bad thing
But it was so much fun I seen your best side
You got to see my worst
It's not the first time
But this one really hurts
Yea, this one's gonna... it hurts Goodbye my friend
Hello heartache
It's not the end
It's not the same
Wish it didn't have to be this way but
You and I will spin the world to make love
Goodbye my friend
Hello heartache La la la la la la
La la la la la la
La la la la la la
La la la la la la Do you know? Do you dance?
It's just goodbye, it's not the end
Do you know? Do you dance?
It's just goodbye, it's not the end Goodbye my friend
Hello heartache

It's not the end
It's not the same
Wish it didn't have to be this way but
You and I will spin the world to make love
Goodbye my friend
Hello heartacheLa la la la la la la
Hello heartache
La la la la la la laWish it didn't have to be this way but
You and I will spin the world to make love
Goodbye my friend
Hello heartacheLa la la la la la la
